

Long Haul Truck Driver - Canada / USA

Bulk Carriers (P.E.I.) Limited – Cornwall, PE

We have a golden opportunity for dynamic individuals who enjoy long haul truck driving. We are a family owned and operated long haul refrigerated Transport Company that operates throughout North America. You would be responsible for the pickup and delivery of our customer's products to and from and within Canada. We offer assigned equipment and an excellent benefits package. You must hold a valid passport or FAST Card, be able to legally enter the USA for work purposes, have an acceptable drivers abstract. You must be at least 21 years old and preferably have a minimum of 2 years experience driving HGV/Class 1A Articulated vehicles with a driving course. Starting wage \$18.00/hour for a minimum of 30 hours per week. Once assigned to your own truck, you will be earning between \$0.40 to \$0.44 per mile. Quarterly Bonuses are also available over the previously noted mileage rates.

If this sounds like what you are looking for, please send your CV, written references and contact information, including email, to:
