

# PROFESSIONAL TRUCK DRIVER OF THE MONTH

## MARCH 2018

### ALAIN CANTIN

#### ABOUT the Driver

Alain Cantin has been a Professional Truck Driver for over 17 years. His role as a long haul driver promotes performance and exceptional accomplishments.

On a Saturday morning, Alain was looking for guidance on his fire extinguisher. He communicated that he had used his when he came upon a car on fire on Highway #401 in Ontario. When he stopped, he quickly grabbed his fire extinguisher and tried to put out the fire.

Management at Connors is proud that Alain would take it on himself to stop on a busy highway to offer assistance and try to help someone in need. "As we all get caught in our own bubble, drivers have strict deadlines and time restraints that any delay affects their day, Alain put all that aside to assist".

Alain is a true professional and conducts himself in a way that makes Connors proud to have him as part of their team.

Congratulations Alain!
