

Professional Truck Driver of the Month September 2018

Larry Johnson

ABOUT the Driver

Larry Johnson has been a professional driver for 27 years. He joined the team at Fisher Transport Limited three and a half years ago.

Larry recently was the first person to arrive at a scene of a fatal motor vehicle accident. Larry remained at the scene to warn other vehicles of the obstruction in the road as it was very dark and hard to see. His quick action and foresight and willingness to help others, prevented others being involved in the accident.

His actions are a fine example of and testament to professional drivers everywhere.

Congratulations Larry!
