

Atlantic Provinces Trucking Association "Professional Driver Coach of the Year Award"

The award is sponsored by *Trucking Human Resource Sector Council Atlantic* and will be presented at the Atlantic Provinces Trucking Association's Annual Awards Dinner on December 13th, 2018.

This award is presented to a professional driver coach/mentor who shows courtesy on the highway, has a record of highway safety, sets an example of professionalism in the trucking industry through a strong coaching effort and participates in his community's activities. Professional Driver Coaches represent a critical component of our success in recruiting and retaining entry-level professional drivers. This role has a direct impact on the industry image and long-term retention of new professional drivers. The coach is someone who takes entry-level students / new entrants with them during an internship or work experience, and is coached in a 1:1 capacity. This may be long haul or local but is in a structured environment that recognizes a start and end date.
